## **Disciplining as a Single Parent - Focus on the Family**

Single-parent families are more likely than two-parent families to live in poverty. Not surprisingly, many of the participants in MDRC's evaluations and demonstrations across policy areas are single parents and their families.

## **Single-Parent Families | MDRC**

Being a single parent isn't easy in a world where couples seem joined at the hip. But what you need to do is to stop feeling sorry for yourself and look for ways to fit in. Get involved with a single-parent support group for the support and the fun. Reach out to other single parents who may feel like they're having problems fitting in, too.
