There are several different types of trade that you can take with binary options and a theme of trading platform simplicity applies to them all.

### **Binary Options Trading - What are Binary Options?**

To trade binary options, you need what is called a trading strategy. This strategy guides you and prevents you from trading blindly. All you just need is for your trading strategy to be at least 60% accurate and you'll start making profits (what I mean is that if you place 10 trades in a day, you should be winning at least 6 of the trades or more).
