FeedBooks provides you with public domain books that feature popular classic novels by famous authors like, Agatha Christie, and Arthur Conan Doyle. The site allows you to download texts almost in all major formats such as, EPUB, MOBI and PDF. The site does not require you to register and hence, you can download books directly from the categories mentioned on the left menu. The best part is that FeedBooks is a fast website and easy to navigate.

Kaplan Medical Usmle Step 1

Step 1 is administered by appointment on a year-round basis. Step 1 is typically taken by U.S. medical students at the end of their second year of medical school, or international medical graduates who are already licensed doctors in their home countries, but wish to practice medicine in the United States. As an international medical graduate, you must first register with the ECFMG at www.ecfmg.org.

This book is much better than the kaplan review books for USMLE/Comlex Step 1. It is a comprehensive summary book with enough detail that you can use it in your course work for the first 2 years of medical school. I recommend buying it your first year and reviewing it as you progress through the courses.
