### **Something From The Nightside 1**

Something from the Nightside is an interesting first book for a series. It caught my attention from the start, and after I read it I bought the second book in the series. The Nightside is an unusual place, and with some development I think this series will be really good.

Something from the Nightside. Taylor is the name, John Taylor. My card says I'm a detective, but what I really am is an expert on finding lost things. It's part of the gift I was born with as a child of the Nightside. I left there a long time ago, with my skin and sanity barely intact. Now I make my living in the sunlit streets of London.

### **Nightside Series by Simon R. Green - Goodreads**

The series is focused on John Taylor, a private investigator based in the fictional Nightside, a dark, hidden netherworld of London in which the supernatural and science fiction super-technology co-exist. Dark, cynical, and humorous, the books offer an adventure into the Nightside, where classic pulp PI novels blend...

### **Nightside (book series) - Wikipedia**

Something from the Nightside is a wonderfully written fantasy under the guise of a private detective mystery. If you only read the first few pages, you're doing a disservice to yourself. It isn't until John Taylor ventures into the Nightside that we actually experience the true genius of Simon R. Green. This was my first exposure to the work of Green.
