The sine of the reference angle is  $2/4$ . Determine the coordinates of the point where the terminal side intersects the unit circle.

## **WALCH EDUCATION - Math with Coach Underwood**

The skills outlined in this article are based on the Core Common State Standards for Kindergarten and Grade One and foundational for both functional living math skills and for mastering the general education math curriculum. The Core Common Standards do not dictate at what level skills should be mastered by children with disabilities; they do stipulate that these skills should be accessed by at least this level by all children.
