But I'd bet that if you polled homeowners, most would say they'd rather have more storage space than, say, a deeper bathtub. I wish I'd known that storage is prime real estate in a home. Planning for storage isn't the most exciting part of the process, but it has a huge influence on your lifestyle and organization later on.

10 Things I Wish I'd Known Before Building a House ...

Intro. My previous post took off far more than I expected, so I thought I'd write another piece on less well-known bash features.. As I said before, because I felt bash is an often-used (and under-understood) technology, I ended up writing a book on it while studying it up. It's really gratifying to know that other people think it's important too, despite being un-hip.
